Cold and Flu Season:

Parents, cold and flu season is upon us. We need to take extra precautions to prevent the spread of germs. Please remember to have your child wash their hands when they first come into the school. Also if your child is experiencing any of the following symptoms please be sure to keep your child home for the day or take them to the doctor.

Green Discharge from the nose or eyes, persistent cough, fever, vomiting, and/or diarrhea. Just a reminder that if your child is sent home for any of these reasons he/she must stay out the following day unless a doctor's note stating that they are not contagious is presented to us.
