\* Receive a FREE Ornament with your child's portrait in it!

*"THE WAVING WHEAT, AND GOLDEN GRAIN REMIND US OF THE BOUNTY FOR WHICH WE ARE SO GRATEFUL! ALL THE BEST TO YOU AND YOUR FAMILY!"*

Historically, an Indian tepee was made from a cone of long poles and a hide covering that appeared shiny white until the hearth fire cured it. Construct a village of similarly handsome -- though edible -- tepees with this food craft.

Ingredients: Sugar cones ~ Confectioners' sugar  
~ Unsalted butter ~ Vanilla extract  
Cake-decorating icing ~ Decorative candies  
Toothpicks

Instructions In a mixing bowl with an electric beater set at low speed, mix 2 cups of sifted confectioners' sugar, 1/4 cup of softened, unsalted butter, and 1/2 teaspoon of vanilla extract until smooth and spreadable. Stir in a bit of milk, if needed.

Use the icing to lightly frost eight ice cream sugar cones, then place them in the freezer for a few minutes until the icing hardens.

Now use tubes of cake-decorating icing to draw linear patterns and images and glue on decorative candies. For lodgepoles, insert toothpicks into the tip of each cone.
